

Yard, Ranch & Golf Signs

YARD, RANCH & GOLF SIGNS

Finally, professional grade decorative address and golf signage at a reasonable price. Our custom signage can be matched community wide: address plaques, street signs, course markers, club house signs and community entrance signs. These individually hand cast aluminum signs reflect traditional good taste. Each has deep cast figures and design motifs that are finished in all-weather baked enamel. Posts are cast aluminum and feature a powder coat finish.

Need a custom design that prominently features your community's logo? We will help you select the mailbox and signage options that will maximize your community's curb appeal.

Products:

Estateview Stucco CBU Mailbox Center

ESTATEVIEW STUCCO CBU MAILBOX CENTER

Our decorative stucco column transforms a Cluster Box Unit (CBU) into an elegant mail center. This attractive, prefabricated CBU comes ready-to-install over a standard USPS approved CBU mailbox and pedestal*. Each column is 42" wide x 30" deep x 72" high.

The column has an easy-to-handle styrofoam core with a ready-to-paint, exterior-grade stucco surface. As an option, we offer three paint choices: Sandstone, Burnt Tuscan, or Slate Gray (custom colors available). Two coating options are available.

Standard Single Coat: This is the finish included in the base price. It can be painted with any exterior-grade paint.

Extra Durable Double Coat: The second layer of cement is thicker and stronger than the standard single coat and is better suited for high-traffic locations where there is a greater chance of surface impacts.

Our USPS approved CBUs offer centralized mail delivery with greatly enhanced security. They are designed to meet or exceed the newest USPS standards. Every CBU has an outgoing mail compartment and parcel locker. Our CBUs are made of rust and rot proof aluminum and stainless steel. CBUs are available in 8, 12, 13, and 16 door units. CBU color options include: black, bronze, sandstone, white, and green.

Products:

- A. 8 Patron Box, Type I (CBU-8-EVMC-TALL)
- B. 12 Patron Box, Type II (CBU-12-EVMC-TALL)
- C. 13 Patron Box, Type IV (CBU-13-EVMC-SHRT)
- D. 16 Patron Box, Type III (CBU-16-EVMC-SHRT)
- E. Bayview Solar Lamp: Features beveled glass panes, super-bright LEDs, 8-1/2" x 19" (LMC-800-SL)

* Local USPS approval recommended for stucco column. Your pad must be level (without slope) for a smooth installation.

Lewiston Collection Street Sign Systems

LEWISTON COLLECTION STREET SIGN SYSTEMS

Our street signs are constructed entirely of aluminum and stainless steel (will not rust or rot). Cast aluminum sign frames for all residential traffic sign shapes can be bolted onto the pole. All signs are built to DOT specs which measure 7' from bottom of first sign to ground unless designated otherwise. Overall height is determined by configuration. Poles come in three lengths: 14' 6", 12', and 11'. Pole diameter is 3" OD. Black is the standard color for street sign poles. Custom pole colors available.

Street sign blades and frames are of cast aluminum. Raised letter blades are two sided in black, white or dark green. The raised letters and border come in black, gold, or reflective white. Custom colors available.
