DESIGNER NEWSPAPER HOLDERS

Made of heavy duty aluminum, Salsbury designer newspaper holders are a unique option for designer roadside mailboxes. Each unit has a solid back and includes mounting hardware to easily attach to the bottom of designer roadside mailboxes and to the top of designer pedestals and spreaders. Designer newspaper holders feature a durable powder coated finish available in four (4) designer colors.

DESIGNER ROADSIDE MAILBOXES - U.S.P.S. APPROVED

Made entirely of aluminum, Salsbury U.S.P.S. approved 4300 series designer roadside mailboxes feature both a front and rear access locking door. Available in a powder coated bronze, copper, brass or nickel finish, each unit includes an outgoing mail tray, a lock with two (2) keys on each door (keyed alike) and an adjustable burgundy signal flag. Mail is deposited through a non-locking access panel on the front. Designer roadside mailboxes can be mounted on the optional bolt mounted (#4365D) or in-ground mounted (#4385D) aluminum designer pedestals, in-ground mounted aluminum designer deluxe posts (#4370D, #4372D, #4373D and #4374D) or a base of your choice. Designer roadside mailboxes can also be mounted in columns, masonry or walls. Designer newspaper holders (#4315D) and non-locking thumb latches (#4388) are available as options upon request. Designer roadside mailboxes are approved for U.S.P.S. curbside mail delivery. Master postal lock not required.
